Dear Dr. Page:

Thank you very much for sending me the copy of your letter of 10 July to Mr. Leon Davidson. This letter should do much to quiet down the large furor which Mr. Davidson has raised around the community. For our information, I would appreciate it very much if you could send me a copy of his 6 July letter in which he expresses the cause of his concern over flying saucers. So far we have never been able to get a precise statement from him as to why he is devoting so much time and effort to the matter.

Kindest personal regards.

Very sincerely,

Philip G. Strong
